

St Stephen's Tamahere Cemetery

All permits and permissions to be obtained from the St Stephen's Tamahere Cemetery Committee via the Church Office, email: office@ststephenstamahere.org.nz (application form attached)

NB: All work must adhere to the monumental standard for installation NZS 4242:2018 <https://www.standards.govt.nz/shop/nzs-42422018/>

Ashes and Graves area

Criteria for purchase of burial or ashes plots: Must have been on the Parish roll for a period of 10 years as an active member during this time. However, 10 year active period may be waived for ashes plots at the discretion of the Cemetery Committee.

Ashes of family members regardless of parish roll status may be interred into existing graves and/or plaques installed providing the appropriate permits have been sought from the Cemetery Committee via the Church office.

Graves may be double depth for a future additional burial.

Any alteration to graves or ashes plots MUST NOT be undertaken until a permit is approved and purchased. This permit must be provided to the monumental mason when a head stone on a grave or ashes berm is altered or commissioned for installation.

Fees:

Plot for grave and permit to bury \$ 1,000 incl GST

Permit for subsequent interment in double depth grave \$ 500 incl GST

Ashes berm plot and plaque permit (Airport Road end) \$ 500 incl GST

Permit to inter ashes and install plaque on existing structure in cemetery (and/or update headstone) \$ 500 incl GST

Permit to install an additional commemorative plaque on existing structure in cemetery, gravesite or ashes berm but no interment \$ 100 incl GST

NB:

No fees apply if changes to a headstone or plaque are related to maintenance and upkeep. However, a permit for said work must still be obtained.

All digging for interment (grave or ashes berm) is not included in the above fees.

All costs associated with headstone or plaque placement are not included in the above fees.

Ashes berm plaques are to be no larger than 300mm x 200mm

Dingle Memorial Berm

Criteria for the memorial berm: person to be memorialized must have a stated and recognized connection to the Tamahere area and/or St Stephen's Church. Permission of this accepted status must be granted by the Cemetery Committee and permit provided to the monumental mason prior to plaque placement.

Memorial berm plaque dimensions are to be a standard size of 200mm x 120mm.

Fee:

Permit to install plaque on Dingle Memorial Berm (no ashes permitted) \$ 500 incl GST

Dated July 2024
